2010 TYFC Volunteer Agreement

I understand that volunteers are essential to the success of my child's Football & Cheer team. I understand that I am needed to volunteer for at least one of the following positions:

- ___ **Chain Gang** – [Needed - 3 people for each team for each home game] 2 volunteers run the yardage chains and 1 volunteer manages the “down markers”

- ___ **Player Count** – [Needed - 1 person per team for every game] to keep track of plays for each player for our team

- ___ **Snack Shack** – [Needed – 2 people per team per home game] Volunteers will assist in set-up, prepping / selling of food items, and closing snack bar

- ___ **Team Parent** – [1-2 people per team for the season] Volunteers will be the go-to-person providing information between coaches and parents, scheduling parent volunteers for their team and coordinating team events

I have indicated which volunteer position I am interested in with the placing of my initials. I agree to volunteer to perform these duties for at least one scheduled home game. I understand, once game schedules are posted, I will be contacted by my child's Team parent to schedule my volunteer time and date.
